## MAKE YOUR OWN Shower Paint

*Make your own... Shower Paint! Sensory play is a great source of entertainment, and the bathroom is the best place for it. Easy prep and easy clean up!*

### WHAT YOU NEED:

-  Muffin tray or small bowls
-  Shaving cream or Whipped Cream
-  Food coloring
-  Liquid Soap
-  Spoon

1

Fill muffin tin or small bowls with shaving cream OR whipped cream for a taste safe option

2

Add a few drops of liquid soap to each

3

Add a tiny drop of food coloring in each and mix up with a spoon

4

Suit up the kids and head to the shower!

5

Let their creativity flow and have them paint the shower walls using their fingers, a spoon or an old paint brush

6

Afterwards, use water to wash off the shower paint and use a shower/bath cleaner to remove any coloring from the grout
